BIO/FILMO (42 words)

Alexander Horwath, b. 1964 in Vienna, is a writer, curator and film historian.

He was the director of the Viennale – Vienna International Film Festival

(1992 – 97) and the Austrian Film Museum (2002 – 17). Henry Fonda for

President (2024) is his first film.

SYNOPSIS SHORT (60 words)

A personal essay about the USA, viewed through the life and work Henry Fonda and the roles he played. His voice and his onscreen avatars guide us through America's past and present – on a road trip from the village of Fonda, NY, across the Midwest to the Pacific; from 1651 to the 1980s and the presidency of another movie actor.
